## **1. Admissions policy overview**

- 1.1 At Progress Schools Hamilton Square our students are referred from a variety of sources. There are no formal entry requirements to access our programmes although every referral is considered on an individual basis. The sections below outlines required documentation before a student can be placed in school.
- 1.2 Progress Schools Hamilton Square will consider each referral on a case by case basis. A placement will be offered if it is believed we can meet the student's needs.

## **2. 11-16 admissions**

- 2.1 All students aged 11-16 that are currently not in formal education, are at risk of being permanently excluded or cannot meet their potential in their current setting must be referred either by their current place of education or the Local Authority/Education Inclusion team.
- 2.2 Students and parents/carers are welcome to view the proposed school site by appointment, however formal admittance will not be considered until the following documentation has been received;
  - Risk Assessment and referral pack including schedule 3 document
  - Prior educational background
  - Copies of any relevant documentation including SEND and Education, Health and Care Plan (EHCP)
  - Prior attendance and attainment
  - Any other important documentation relevant to the student
- 2.3 Once received, a decision will be made and parents informed within a maximum of 5 working days. Upon agreeing a start date and timetable, parents and students will be invited in to the school where they will receive consent forms and a parent information pack. Copies of any details will be sent to the referring agency where applicable.
- 2.4 Progress Schools Hamilton Square will review each application carefully. Due to the nature of some of our referrals, the student's welfare will take priority when considering if we can successfully meet the students' needs.
- 2.5 Short term, temporary placements are available. Progress Schools Hamilton Square can act as a 6<sup>th</sup> day provision in the event that suitable alternative placement is still being sought. The admissions process remains the same as full time applicants.
- 2.6 Where a student is being referred onto a block placement contract, we still expect to receive the documentation listed above prior to admission.

### **3. Appeals**

- 3.1 In the event of a student being refused a placement, appeals must be made to the Head of School in writing within 5 working days of the placement being declined.

## 4. Admissions process for referrals from LA SEND Dept.
